This week we will meet at the

CULTURAL ARTS CENTER

next to the Harlingen Public Library

September meeting

Writing Restaurant Reviews!

We know you have opinions, and here's one way to express them. Even if you have no plans to ever write a restaurant review, you will find this interesting, and you will be adding another skill. Eileen Mattei will lead this program, and promises that you will see restaurant meals from a new perspective in the future.

August Meeting

Writing a NANO novel

Jeff Harris explained this national novel writing project and gave a presentation with PowerPoint slides. NANO or NaNoWriMo, is the November-long novel writing event. The target is 50,000 words in 30 days. More details at www.nanowrimo.org. Thanks Jeff!
