BYLINERS

Next Meeting:

Saturday, August 9 at 1:30 PM

Harlingen Public Library

Welcome back! It's August and our Summer vacation is over. Our new officers, like the rest of us, have been recovering from Hurricane Dolly, who hit some of us pretty hard. Maybe we can salvage some good stories from the wreckage that Dolly left.

Our speaker this week is Garnet Gaither, chairman of the TSTC department of Digital Media Design. This department has courses in digital publishing, digital imaging, graphics, video, sound and animation. All the electronic tools for writers and publishers.

This is a great opportunity to learn about the programs and tools TSTC has to offer.

A little brief...

This newsletter is thinner than usual. We're still cleaning up after Dolly (almost done), so everything else has slipped a bit.

More next time!

New officers

President: **Jack King**

Vice President: **Marianna Nelson**

Treasurer: **Jeff Harris**

The next Byliners book

Mona has received several stories for the new book and is working with the writers as they polish those stories for publication. But she is *asking for more stories!*

Send your stories to Mona at monawriter@aol.com. She's waiting!

While waiting, Mona is working on her new book and doing a lot of historical research

Visit our web site at www.rgybyliners.org. Be sure to update your information.

Byliners' meetings are at 1:30 PM on the second Saturday of each month at the Harlingen Public Library.
